

PRESS RELEASE

There is a lot of potential in today's women and our mission is to provide them the enabling environment in every field of life and ample opportunities for bringing about a vibrant change in the Economy of the country.

Secretary Women Development Capt.(Retd) Atta Muhammad Khan expressed these views while chairing the review meeting of the Department, The meeting was held in his office chamber attended by Additional secretary Women Development Department, Secretary PCSW and other officers of the department. The Additional Secretary Mr. Arshad Baig gave a detailed presentation on the main areas and issues of the organization.

Furthermore, Additional Secretary briefed that department has conducted training sessions all over The Punjab to make women more aware of their rights and laws in civil society.

The Annual Development Program (ADP) 2017-2018 was also discussed and the chairperson emphasized on the need of development of more dynamic polices/programs for empowerment of women and gender equality. For the purpose of having aggressive media campaign in order to bring all the stake holders including civil society, NGO, CBO etc at one page is the need of the hour.
