

## **Press Release**

In compliance to the directions of the Prime Minister regarding improvement of service delivery by the Govt of Punjab, Secretary Women Development Department, Govt.of Punjab, visited Working Women Hostel Faisalabad today. Upon arrival, Neither the manager nor the clerical staff off Working Women Hostel Faisalabad were present in the office , Secretary has taken serious notice of this unauthorized absence from duty and directed initiation of strict disciplinary proceedings against the staff under rules.

Ironically during the last visit to WWH Gujranwala The manager of respective hostel was also found absent from not only her office but has also left the station without obtaining leave, accordingly show cause notice was issued to that manager and subsequently the director, directorate of women development was directed to devise automated system for ensuring availability of staff and manager all over the province wherever Working women hostels are functioning in true letter and spirit. Despite direction the instant incident is a big question mark on the performance of the directorate, under the circumstances strict steps are been taken to improve upon services delivery without an iota of doubt.
