

Government of the Punjab`s emphasis on practical implementation on the steps taken against women harassment

A meeting regarding Government of the Punjab`s emphasis on practical implementation on the steps taken against women harassment was held on November 13, 2018 and chaired by Secretary Women Development Department, Ms. Irum Bukhari. Moreover, Directorate WDD and officials of WDD & DWD attended the meeting.

The aim of the meeting was to discuss the practical implementation of the steps taken against gender-based violence and women harassment in collaboration with stakeholders e.g. UN-women, Aurat Foundation, Oxfam Pakistan, white Ribbon, CAN-Pakistan, APWA, Kinnaird College Lahore, and Lahore College for Women & University.

In addition, valuable suggestions, to empower the women and to stop the gender-based violence, were outlined e.g., what can be done more in practical implementation of women empowerment in all fields. In concluding the session, Secretary WDD appreciated all stakeholders, team members for participation and encourage them to share all kinds of suggestions. She also added, let's highlight the strengths of nation instead of negativity for working ladies and that moral values are huge boost for working environment.
